Commissioner Rogers asked about the savings from the bid. Mr. Brown turned it over to Mr. Kyle Galloway, GIS. Mr. Galloway apologized for being late. He expanded on what Mr. Brown stated. The contractors agreed on \$51 per yard. However, they are trying to get the alternate as well as keep access one. This is not CPRA's intent when they asked for the yardage decrease. CPRA wants to take out the alternate and take out the access route one which would result in a total project of about \$4.4 million or a little more. CPRA is willing to pay that difference. There are still ongoing discussions between the Parish, LBLD and CPRA. On November 13, 2023 there will be a meeting with Mr. Donald Henry and the Corps.
